Engaging Town Hall in Brownsville

JESSE HAMILTON October 24, 2017

| ISSUE: **TOWN HALL, BROWNSVILLE, BROOKLYN, COMMUNITY EVENT**

Glad to join colleagues for a town hall in Brownsville. The community raised a wide range of concerns with Mayor de Blasio, Brooklyn Borough President Eric L. Adams, and NYC Councilwoman Darlene Mealy - from public safety and policing, to housing and healthy foods. It was an important chance for dialogue with the community and I'm grateful to all who were able to attend and share their perspectives with us!
