JONATHAN MONFILETTO - 315-568-9816 October 31, 2017

LYONS – Senator Pam Helming celebrated the grand opening of her office in the Wayne County Court House with a ribbon cutting ceremony and open house on Thursday, Oct. 26. Assisting with the ribbon cutting were Assemblyman Bob Oaks, Wayne County Supervisors and officials, local Town Highway Superintendents, and members of the public. Following the ribbon cutting, everyone enjoyed refreshments from local farms while touring the new office. The office is located in Room 207 and is open from 9 a.m. to 5 p.m. on the second and fourth Thursday of each month. The office telephone number is (315) 946-6380.

“I truly appreciate the warm welcome and support I received from the residents and elected officials not only during our open house but also since taking office in January. Accessibility and constituent service have always been and will always be my top priorities. I want to thank Steve LeRoy, Rick House, and the entire Board of Supervisors for providing us with an office located in the heart of Wayne County. This location means our residents now have a more convenient location for meeting with me and my team,” Senator Helming said.

Senator Helming represents the 54th Senate District, which consists of Seneca and Wayne Counties, parts of Cayuga and Ontario Counties, and the towns of Lansing and Webster. For more information, please visit Senator Helming’s [website](#), or follow @SenatorHelming on Facebook or Twitter.
