JOSE M. SERRANO November 3, 2017

| ISSUE: **ARTS AND CULTURE**

Senator Serrano was a special guest on “In Focus with Cheryl Wills” on NY1 to discuss the arts and their importance in our society. As a long-time supporter of the arts, Senator Serrano has consistently called for more emphasis on arts and culture in our communities. Serrano is a firm believer that local arts organizations add to our cultural fabric and act as an economic engine for communities throughout New York State.

“The arts are so critically important in a multitude of ways, yet they’re often overlooked when it comes to the support they need. I enjoyed speaking on how the arts have had such a profound and

meaningful impact throughout history.”
