THOMAS F. O'MARA November 13, 2017

| ISSUE: **MANUFACTURING JOB GROWTH**

A foundation of manufacturing is critical to the short- and long-term strength of the regional, statewide, and national economies.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and

policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**Hope in the future of regional manufacturing**"
