JESSE HAMILTON November 9, 2017

| ISSUE: **COMMUNITY CELEBRATION, WOMEN EMPOWERMENT**

Proud to join in marking Delta Rho Omega's founding on November 15, 1947. The remarkable women of Delta Rho Omega have a distinguished record, over seven decades, of contributing to the well-being of our community - including promoting public health and wellness, educating youth, elevating the arts, to name but a sampling of their community engagement.

I am honored to join in congratulating them for their many achievements and look forward to their continued good works in our community.
