Senator Lanza Hosted Secure Shred Event at the Staten Island Mall

ANDREW J. LANZA December 2, 2017

| ISSUE: **IDENTITY THEFT**

On Saturday, December 2nd, I hosted along with Assemblyman Michael Cusick a successful Secure Shredding Event which provided about 200 Staten Islanders the opportunity to dispose of any unwanted documents.

Identity theft and financial fraud are real concerns that we must protect against. By Shredding sensitive documents people can rest a little easier knowing that they are better protected against possible fraud.

Stay tuned for future events in the new year!
