ELAINE PHILLIPS

Senator Elaine Phillips recently participated in the Gateway Youth Outreach's Holiday Presents Give Away. The program provided multiple presents to more than 450 children.

"It was wonderful to see the excitement of the children at the Gateway Youth Outreach's Holiday Presents Give Away when they were presented with donated gifts," Senator Elaine Phillips said. "The holiday spirit of giving was on full display, and I thank Executive Director Pat Boyle for organizing this generous event and to all the patrons who donated gifts and

time to make the holidays brighter for many children.”

GYO has been providing quality programming to young people and families in surrounding communities for more than 30 years.
