| ISSUE: **2018 LEGISLATIVE SURVEY**

The first question to ask all New Yorkers is this: What's your opinion? Which is exactly what I am asking to encourage the residents of the Southern Tier and Finger Lakes regions to share your opinions, concerns, and suggestions for 2018 in New York State government.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**First for the New Year: What's Your Opinion?**"
