JESSE HAMILTON December 13, 2017

| ISSUE: **EDUCATION, SCHOOL, ELEMENTARY & SECONDARY EDUCATION**

It is powerful when the community stands together. I am proud to work with present and former students and the staff of W. E. B. DuBois High School. In addition, all of the local elected officials support keeping this great school here in Crown Heights - thank you NYC Public Advocate Letitia James, NYS Assemblyman Walter T. Mosley and NYC Council Member Laurie Cumbo.
