Stop Human Trafficking

JESSE HAMILTON January 11, 2018

| ISSUE: **HUMAN TRAFFICKING, CRIME**

For more than 25 years, ECPAT-USA has been leading the charge to prevent child sex trafficking before it happens. Today, National Human Trafficking Awareness Day, help us build a bright future for children by safeguarding them from this form of modern-day slavery. Thanks to ECPAT-USA and all those fighting to stop human trafficking.
