## Community Workshop on Taxes & Property Values

JESSE HAMILTON February 23, 2018

| ISSUE: **PROPERTY TAX, HOMEOWNERS**

Really productive evening providing resources to our community. Thanks to the New York City Department of Finance, IMPACCT Brooklyn, Brooklyn Housing and Family Services, and all our community partners helping us answer questions, review applications, and provide personalized advice at our Notice of Property Value Workshop in Prospect Lefferts Gardens last night. Special thanks to our hosts St. Gabriel's Episcopal Church!
