

NEW YORK STATE SENATOR

Joseph E. Robach

Sen. Robach Hosts Veterans Information Forum

JOSEPH E. ROBACH March 5, 2018

| ISSUE: **HONORING VETERANS**

This past weekend, I was proud to host a Free Veterans Information Forum at Greece Town Hall. Many veterans from across our community were able to attend and hear from speakers from the Veterans Outreach Center, NYS Division of Veterans Affairs, Monroe County Veterans Service Agency and Monroe Community College and learn important information about available job services & training, health benefits, peer-to-peer programs and much more. Additionally, there were representatives from community organizations in our region that serve our veterans providing additional information. I was proud to host this event, our veterans did so much in the service of our nation and it is important that we serve them

once they come home.
