2018 Sportsmen and Women Survey Summary of Results

JOHN A. DEFRANCISCO March 30, 2018

| ISSUE: **SPORTSMEN & WOMEN**

Please see attached the results of a 2018 Sportsmen and Women Survey that was sent to registered sportsmen and women to gather their thoughts on certain hunting and wildlife management issues in the State of New York. More than 3,000 respondents filled out the survey, and either mailed it in, or completed the survey online.
