JESSE HAMILTON April 18, 2018

| ISSUE: **TENANTS' RIGHTS, TENANT PROTECTION, HOUSING, AFFORDABLE HOUSING**

Empowering information and resource sharing on tenants' rights at the Flatbush Tenant Coalition and Right to Counsel NYC Coalition town hall this evening. Thanks to all the them and all the advocates and groups involved in making the town hall such a success.

Collectively, we serve as crucial links to keep our communities whole and keep our family, friends, and neighbors in their homes!
