Kaminsky to Introduce Bill to Close NY Double Jeopardy Loophole

TODD KAMINSKY April 18, 2018

| ISSUE: **PRESIDENT TRUMP, ATTORNEY GENERAL SCHNEIDERMAN, ATTORNEY GENERAL**

(Albany, New York) — Today, Senator Todd Kaminsky released the below statement following NYS Attorney General Eric T. Schneiderman's letter to the Governor and legislative leaders requesting the immediate closure of a loophole in the states Double Jeopardy law.

"The Double Jeopardy loophole allows criminal behavior to go unpunished in our state and needs to be closed," said Senator Todd Kaminsky. "The writers of our state's strict Double Jeopardy statute did not take into account the President's pardon power, and certainly did not contemplate the capricious use of that power to undermine the rule of law. I will be introducing a bill in the Senate to address the glaring loophole that Attorney General Schneiderman has highlighted, and will work to ensure its passage so that New Yorkers can rest assured that no person is above the law and that unlawful acts will not go unpunished."
