

NEW YORK STATE SENATOR

Thomas F. O'Mara

Senator O'Mara's weekly column 'From the Capitol' ~ for the week of May 21, 2018 ~ 'Tick here, tick there, ticks everywhere'

THOMAS F. O'MARA May 21, 2018

| ISSUE: **LYME AND TICK-BORNE DISEASES**

Those afflicted by Lyme disease can endure years of frustration, to say the least, seeking effective diagnosis and treatment.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**Tick here, tick there, ticks everywhere**"

[see attached copy above of Senator O'Mara's column in The Leader on May 20, 2018]
