Senator Jim Tedisco

June 4, 2018

Senator Jim Tedisco helped kick-off the Fulton-Montgomery Counties Relay for Life at Gloversville High School on June 1st to help raise money for the fight against cancer.

“I don’t think there’s a single person who has not been touched in some way by cancer. I lost my Dad and younger brother Joey to cancer. That’s why it was truly an honor to join cancer survivors, those who are fighting cancer and those who have lost a loved one to this terrible disease, at the kick-off to the Fulton-Montgomery County Relay for Life held at Gloversville High School,” said Senator Tedisco.

“Thanks to all the families, volunteers and the American Cancer Society for all they do to help support treatment and research so we can finally find a cure for cancer! God Bless them all!”
