Clearly, law enforcement continues to be the front line in this long-standing battle. We have to keep strengthening and updating the laws they need to be most effective.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**An unacceptable risk to our neighborhoods**"
