

NEW YORK STATE SENATOR

David Carlucci

Statement From Sen. Carlucci on Raising the Age to Purchase Tobacco Products in Westchester County

DAVID CARLUCCI May 21, 2018

| ISSUE: **TOBACCO**

"I am working to have the age raised from 18 to 21 across the state on the purchase of tobacco products. It is positive to see our county lawmakers taking action on this issue, and hopefully voting to raise the age. We cannot let Big Tobacco become Big Vape and market to our young people."
