Participatory Budgeting Volunteer Training

JESSE HAMILTON August 2, 2018

| ISSUE: **PARTICIPATORY BUDGETING, COMMUNITY ENGAGEMENT, COMMUNITY, VOLUNTEERISM**

Participatory budgeting would not be possible without dedicated volunteers who help manage the process from start to finish. Thanks to all who were able to make it to our volunteer training yesterday.

We look forward to the neighborhood residents having their say on the projects on the ballot. Remember, voting is August 6th through August 12th!
