| ISSUE: **BRIANA'S LAW, CPR, POLICE, POLICING**

Briana Ojeda and her family have given the gift of life to New Yorkers. Thanks to Briana's parents, Carmen & Michael Ojeda, and the entire Ojeda family for their years of advocacy for Briana's Law. As Asm. Feli Ortiz said truly "a victory for the State of New York"

Thanks to Officer Osvaldo Nunez, his CPR training & his quick response, a 20-month-old girl in Jackson Heights, Queens is alive today!
