Ortt Applauds Corwin Selection

ROBERT G. ORTT August 28, 2018

| ISSUE: **LAKE ONTARIO FLOODING, PLAN 2014, INTERNATIONAL JOINT COMMISSION**

"I applaud President Trump's decision to nominate Jane Corwin for the current International Joint Commission vacancy. After the disastrous consequences resulting from Plan 2014, it was time for a change in representation and Jane Corwin is the ideal candidate to fill that role. As a leader who once served the same communities that were devastated by the flooding of Lake Ontario, she will ensure the interests of those impacted by the disaster are represented and that their voices are heard. I look forward to Jane Corwin adding on to her brilliant public service record and fighting the wrongs that the IJC and its Plan 2014 have created."
