Ovarian & Gynecologic Cancers 5k

JOSEPH E. ROBACH September 19, 2018

| ISSUE: **CANCER AWARENESS, HEALTH**

September is Ovarian and Gynecologic Cancer Awareness month. In recognition, I recently joined Cancer Wellness Connections and people and families dealing with these horrible diseases for the 11th annual Ovarian and Gynecologic Cancer 5k. This event helps raise money and awareness to fight these diseases that affect so many families every year.
