Addabbo helps bring Western Beef donation to Glendale food pantry

SENATOR JOSEPH P. ADDABBO, JR. October 11, 2018

| ISSUE: **FOOD PANTRY, FOOD DONATION, WESTERN BEEF, ADDABBO**

On Monday, October 1, State Senator Joseph P. Addabbo, Jr. helped facilitate a large donation where Western Beef delivered two pallets of food to the Sacred Heart Food Pantry in Glendale.

Included in the donation were boxes of macaroni and cheese, juice boxes, coffee, bread, cans of food, cereal and much more. After resolving an initial delivery issue, Addabbo said that he

intends to be involved with the Sacred Heart Food Pantry and Western Beef on extending their partnership to consider future donations.

“I am very happy that I was able to successfully bring these two great entities together for the benefit of those individuals in need,” Addabbo said. “This donation alone will go a long way in helping so many families who are struggling to put food on the table. I am grateful for the efforts of the Sacred Heart pantry for assisting so many people and for Western Beef to willingly be a credible member of the community. I hope that this relationship between Western Beef and the pantry can continue.”

“Western Beef has always seen itself as part of the larger community and so it is our pleasure to assist the Sacred Heart Food Pantry in its mission to aid others in need,” said Kathy Rivera, Title Compliance Administrator at Western Beef. “After this initial food donation, we look forward to working with the food pantry and Senator Joe Addabbo towards the possibility of partnering in the future with the Sacred Heart Food Pantry.”
