Pathways To Funding is a monthly publication intended to provide organizations and individuals with support in finding and applying for federal, State, local and private grants.

Distributed by the NYS Senate Democratic Conference, this resource helps identify alternative funding opportunities, along with tips for easy navigation of the NYS Grants Gateway—an online portal for announcing upcoming and available State grants—and announcements of upcoming webinars on grant writing, helpful hints and other useful information. Attached is a sample list of available federal, state, local, and private grants that

will be updated on a continuous basis.
