New York State Senate Local Government Committee

2018 Legislative Session Report Senator Kathleen A. Marchione Chair

It is my honor to share this 2018 Report with you and our colleagues, outlining many of the key issues and critical legislative initiatives successfully advanced by our Committee in my final year serving as Chair. The 2018 Legislative Session was particularly productive for our Senate Local Government Committee, as we once again heard from elected representatives serving in city, county, town and village governments, as well as respected advocacy

organizations, such as AOTSNY, NYSACC, NYSAC, NYCOM and others. Through our Committee's six meetings and various bills discharged, 184 bills moved along and, of those, 75 passed both houses and went on to the Governor.
