Statement From Senate Majority Leader Andrea Stewart-Cousins Regarding Ongoing Discussions With Amazon

ANDREA STEWART-COUSINS February 28, 2019

| ISSUE: **AMAZON**

“I have always been clear that I support job creation and was disappointed with Amazon’s decision and hoped they would reconsider. I have also repeatedly indicated my willingness to work with Amazon in the best interests of our state and affected communities. It is clear that this process exposed serious flaws in our economic development programs that need to be reformed for future projects.”
