ROXANNE J. PERSAUD March 1, 2019

| ISSUE: **HONORING WOMEN, WOMEN'S HISTORY MONTH**

March is Women's History Month! Senator Persaud has provided a brochure to share why this month is significant and how it all began, as well as give insight on important women in history. Children may also enjoy educational word puzzles and a drawing section, where they drew colorful representations of New York women they admire, like the young learners at DJ After-School Program in Canarsie did.
