Albany, N.Y., March 28—State Senator Tom O'Mara (R,C,I-Big Flats) joined **Franziska Racker Centers** Executive Director Dan Brown, Board of Directors President Nancy Molina, and other Racker Centers representatives who traveled to the State Capitol earlier this week to join a statewide “**bFair2DirectCare Rally**” in support of raising wages for New York’s direct service professionals.

O'Mara has long been a strong advocate and supporter of higher wages for New York's direct service professionals.

"I appreciated this opportunity to meet with Franziska Racker Center representatives. I have proudly stood with them and their fellow direct service professionals from across New York State comprising the 'Be Fair to Direct Care' grassroots coalition. I welcomed this week's occasion to, once again, on behalf of our entire region, express our gratitude to the leadership and staff of the Franziska Racker Centers for all that they do to create opportunities for people with disabilities and their families. It's important work and they carry out their mission admirably and effectively. New York State should fully recognize their importance and value," said O'Mara.
