Ortt: New York Dems Agree To Budget...At Law-Abiding Taxpayers Expense

ROBERT G. ORTT March 31, 2019

| ISSUE: **2019-2020 BUDGET**

“Budgets are about priorities, and this year, Democrats have chosen to prioritize free college for illegal aliens, to roll back charges against serious criminals, to provide corporate subsidies for Hollywood billionaires, and to provide political welfare through taxpayer-funded campaigns. If your only crime is being a farmer, gun owner, business owner or a regular, hard-working New Yorker, Democrats have demonstrated that you are not a priority. We’re now looking at over a billion dollars in new taxes and fees, from pain meds for cancer patients to grocery bags, internet purchases for everyday New Yorkers or electric bills for a local mom and pop small business – the cost of living and working in our state just increased dramatically. Apparently, the only crime this new majority finds unforgivable is being a law-abiding, taxpayer.”
