

NEW YORK STATE SENATOR

Joseph E. Robach

Senator Robach Visits Parma Public Library

JOSEPH E. ROBACH July 19, 2019

| ISSUE: **LIBRARIES**

Really enjoyed my recent visit to the Parma Public Library! This "small, but mighty" library offers so much for its patrons and the Hilton-Parma community. From classes and programs for kids and adults, to computer access, a variety of DVDs and CDs and much more. I have always been proud to support the Parma library, and all the libraries in my district, to ensure our residents have access to information, knowledge and up to date technology. Thanks to Library Director Leslie Boedicker and her dedicated staff for all that they do to make this library so great and helpful for the community!
