Statement From Senator David Carlucci on 9/11 Anniversary

SENATOR DAVID CARLUCCI September 11, 2019

| ISSUE: **9/11**

q

On the 18th anniversary of 9/11, we remember the fallen. Some lost parents, husbands and wives. We remember our first responders who selflessly ran towards danger, and those who are suffering today from cancer or other diseases. We remember a nation that came together at its darkest hour. Now we never forget.”
