JOSEPH E. ROBACH September 13, 2019

| ISSUE: **HUNGER ACTION MONTH, HUNGER PREVENTION**

New York has a mission of providing support, opportunity and resources to those in need so no one goes hungry in our state. Many thanks to Foodlink for their continued partnership with New York State in this mission and for being a leader of providing fresh, healthy food options to people throughout Monroe County. It was great to join the Foodlink team to recognize September as Hunger Action Month and to help raise awareness for food insecurity in our community. #HungerActionMonth #NoOneGoesHungry
