Senator Robach Helps Open Huther Doyle's Family Engagement and Wellness Center

JOSEPH E. ROBACH September 18, 2019

| ISSUE: **ADDICTION PREVENTION COUNSELING AND EDUCATION**

Yesterday was an exciting day at Huther Doyle as we celebrated the opening of their new Family Engagement and Wellness Center. Too often we forget about the family members and friends who are in the fight against addiction with their loved ones. This new space offers a warm, home-like feel for those supporting people trying to beat their addiction while they receive treatment at Huther Doyle. Job well done to the team at Huther Doyle for going above and beyond to help those they serve and care for.
