Senator Brian. A. Benjamin's Young Adult (Adults Under 40) Task Force

Young adult political power is growing, yet we tend to have the lowest voter turnout of any age group. We vote less than older demographics in presidential elections, and the gap is even greater in local and state elections. Despite the recent uptake in young adult activism and community service, we are still alienated from local government and civic engagement.

State Senator Brian A. Benjamin is empowering a Young Adult Task Force of young professionals, activists, artists, students, and community leaders to close the gap.
