SENATOR JIM TEDISCO October 4, 2019

Senator Jim Tedisco today honored Broadalbin-Perth High School, at the school's homecoming pep rally, with a New York State Senate Proclamation for the statewide distinction of having all the students in each of its varsity sports teams last year earn a grade point average of at least 90.

"This is truly an amazing academic accomplishment by Broadalbin-Perth High School and is a testament to the school's outstanding teachers, administrators, staff, school board,

superintendent, parents, and of course, the student athletes who worked so hard on and off the field," said Senator Jim Tedisco.
