****STATEMENT****

Skoufis Statement on Congresswoman Lowey's Retirement

"As much as Congresswoman Nita Lowey is a deeply-respected legend in New York State and Washington, she has always been the Hudson Valley's down-to-earth, compassionate champion. Her work in Rockland County has improved our communities in countless ways and her legacy of empathetic leadership will continue to be an inspiration to us all in public service long after her retirement.

"It has been and will continue to be a privilege to work alongside her on behalf of Rockland County. I wish her the absolute best in her much-deserved retirement upon the conclusion of her term as well as many years of health and happiness for her and her loved ones."
