Senator David Carlucci on Jewish Man Stabbed in Monsey

SENATOR DAVID CARLUCCI November 20, 2019

| ISSUE: **HATE CRIME**

q

A man on his way to temple services was stabbed today in Monsey. This act of violence is horrific and not reflective of our peaceful community. Violence or hate of any kind is never tolerated. I pray for the victim's recovery and expect police will find the suspects and bring them to justice. I am awaiting more details on this incident."
