Senator Helming Attends Grand Opening of Connections: Rounded Recovery Community Center

PAMELA HELMING December 3, 2019

Senator Pam Helming today joined Finger Lakes Area Counseling and Recovery Agency (FLACRA)'s Executive Director Jennifer Carlson for the grand opening for Connections: Rounded Recovery. This new community recovery center is located in the City of Canandaigua and is part of the latest efforts to battle the heroin and opioid epidemic in our community. To learn more, call FLACRA at (585) 396-4190.

"It was an honor to be a part of the grand opening for Connections: Rounded Recovery Community Center. This center will help serve people who are looking to overcome drug and

alcohol addiction and their families throughout Ontario County and will provide health and wellness classes, education and skill-building classes and support groups. Connections will be critical in helping to provide the support that people need to recover and I would urge those looking for help and their families to reach out," said Senator Pam Helming.
