Addabbo will work with MTA to ensure that his constituents' concerns are heard

SENATOR JOSEPH P. ADDABBO, JR. January 23, 2020

| ISSUE: **MTA, QUEENS BUS NETWORK REDESIGN, QUEENS BUS REDESIGN, PUBLIC TRANSPORTATION, ADDABBO**

While I appreciate the efforts of the MTA in providing the critical service of public mass transit and their ongoing initiative to improve upon such services, I believe it's imperative for the MTA to comprehend the concerns and suggestions of their riders during the Queens bus redesign project. I look forward to listening to my constituents on this matter and working with the MTA to enhance their services, which effect the daily lives of the riders.
