Senator Robach Rallies for Transportation Funding

JOSEPH E. ROBACH March 4, 2020

| ISSUE: **TRANSPORTATION, 2020-2021 NEW YORK STATE BUDGET**

The State Capitol was buzzing with excitement today for the annual #LocalRoadsMatter rally! I joined local highway superintendents and advocates to call for increased funding in our state's aging infrastructure. Investing and improving our local roads and bridges is critically important for all New Yorkers. I was proud to deliver funding parity as Senate Transportation Chairman, and it remains one of my top priorities as Ranking Member of the Transportation Committee. #Roads #Bridges #Parity #Transportation #UpstateNY
