Addabbo statement on decision to allow MVP to remain on Christ the King campus

SENATOR JOSEPH P. ADDABBO, JR. March 30, 2020

| ISSUE: **SCHOOL, MIDDLE VILLAGE PREP, DIOCESE OF BROOKLYN, ADDABBO**

“I was pleased to hear of the positive news for the students, parents, and staff at Christ the King Community Day Care, Middle Village Preparatory Charter School and Christ the King High School. Our residents no longer have to worry if their school would be evicted from its location on the Christ the King campus, and can focus on learning and the best interests of the children. I am glad to see this partnership strengthen, and wish all parties much success moving forward. I would like to thank Serf Maltese, the Christ the King Board, and the Diocese of Brooklyn for their dedicated work and persistence to ensure that Middle Village Prep can continue educating students on the Christ the King campus.”
