Take-Out and Delivery Guide for Senate District 35

ANDREA STEWART-COUSINS April 17, 2020

| ISSUE: **FOOD DELIVERY**

While we as individuals or families are trying to cope with the situation, our small businesses are facing a survival challenge. That's why we created this [list](#). You can support these local restaurants and help keep them running if you so choose. While not all restaurants are within our district, they are readily available to deliver to you.

My staff contacted a sample of restaurants and collected information from reliable sources such as: Lohud, News 12, and different municipal websites. However, changes occur regularly, so please contact the businesses directly to obtain any updated information regarding their hours of operations. To view the list of restaurants that are open and ready to serve, [click here](#).

This [list](#) will be updated periodically. If you know of other restaurants that offer take-out and/or delivery services to residents in Ardsley, Dobbs Ferry, Elmsford, Greenburgh, Hartsdale, Hastings-on-Hudson, Irvington, New Rochelle, Scarsdale, Tarrytown, White Plains and Yonkers and would like to add them to our list, please send the information to brandon@nysenate.gov and [cc willis@nysenate.gov](mailto:ccwillis@nysenate.gov).

And if there are issues regarding the restaurants listed, we would like to know that as well.

If you are looking for another way to help out a local business, one suggestion is buying gift cards from your favorite local establishments, which can often be found on their website. This will provide owners with immediate cash, and it will show your commitment.
