

NEW YORK STATE SENATOR
Simcha Felder

Senator Felder's Activity Book for Children

SENATOR SIMCHA FELDER April 27, 2020

Understanding and knowing the right things to do during these challenging times can help reduce stress for parents and children alike.

Whether parents are looking for a way to talk with their children about how to stay safe or just need some fun activities to keep them happy and occupied, I hope the attached booklet can be informative and useful.

Please click [HERE](#) to download and print as many copies of this activities book as you'd like.
