Senator Kaminsky's 'Chalk the Walk' challenge highlights incredible artwork from kids around the district

TODD KAMINSKY April 29, 2020

On Earth Day, Senator Kaminsky and Assemblywoman Griffin asked kids to draw a picture on their driveways and sidewalks of what the environment means to them for our 'Chalk the Walk' contest.

Though this wasn't your typical Spring season, so many wonderful drawings of why Earth Day is important were sent to their offices.
