Memorial Day Weekend - Community Update Letter

SENATOR KEVIN THOMAS May 22, 2020

| ISSUE: **MEMORIAL DAY**

Dear Neighbor,

Memorial Day Weekend here on Long Island is traditionally a time where we gather with family, friends, and loved ones to celebrate the official beginning of summer. While the COVID-19 pandemic has forced many of us to change our plans this holiday weekend, it has not altered the importance of honoring our nation's fallen heroes. Every Memorial Day, we take time to honor those who have given the ultimate sacrifice for our country, and recognize the men and women who continue to put their lives on the line every day in

service to our nation.
