

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement From Senate Majority Leader Andrea Stewart-Cousins

MAJORITY PRESS July 2, 2020

| ISSUE: **CORONAVIRUS**

“I have been informed by Senator Julia Salazar that she has tested positive for COVID-19. Senator Salazar is a passionate and outspoken advocate for her constituents and values, and she brings great energy to our conference. Senator Salazar began feeling mild symptoms and immediately self-quarantined and got tested. She is still experiencing mild symptoms and is continuing her self-quarantining at home. We are all wishing her well and look forward to her full recovery.”
