Senator Biaggi joins 32BJ SEIU and UNITE HERE! to celebrate the passage of the bill to enact the Healthy Terminals Act

ALESSANDRA BIAGGI July 29, 2020

On July 29th, Assemblymember Alicia L. Hyndman and Senator Biaggi joined 32BJ SEIU and UNITE HERE! at JFK airport to celebrate the passage of the bill to enact the Healthy Terminals Act! Healthcare is a human right that must be afforded to all New Yorkers, but especially our essential airport workers on the frontlines. The Senator is proud of this coalition and is eager to see what they accomplish next.
