JEN METZGER August 24, 2020

| ISSUE: **2020 ELECTION, NOVEMBER 3, EARLY VOTING, ABSENTEE VOTING**

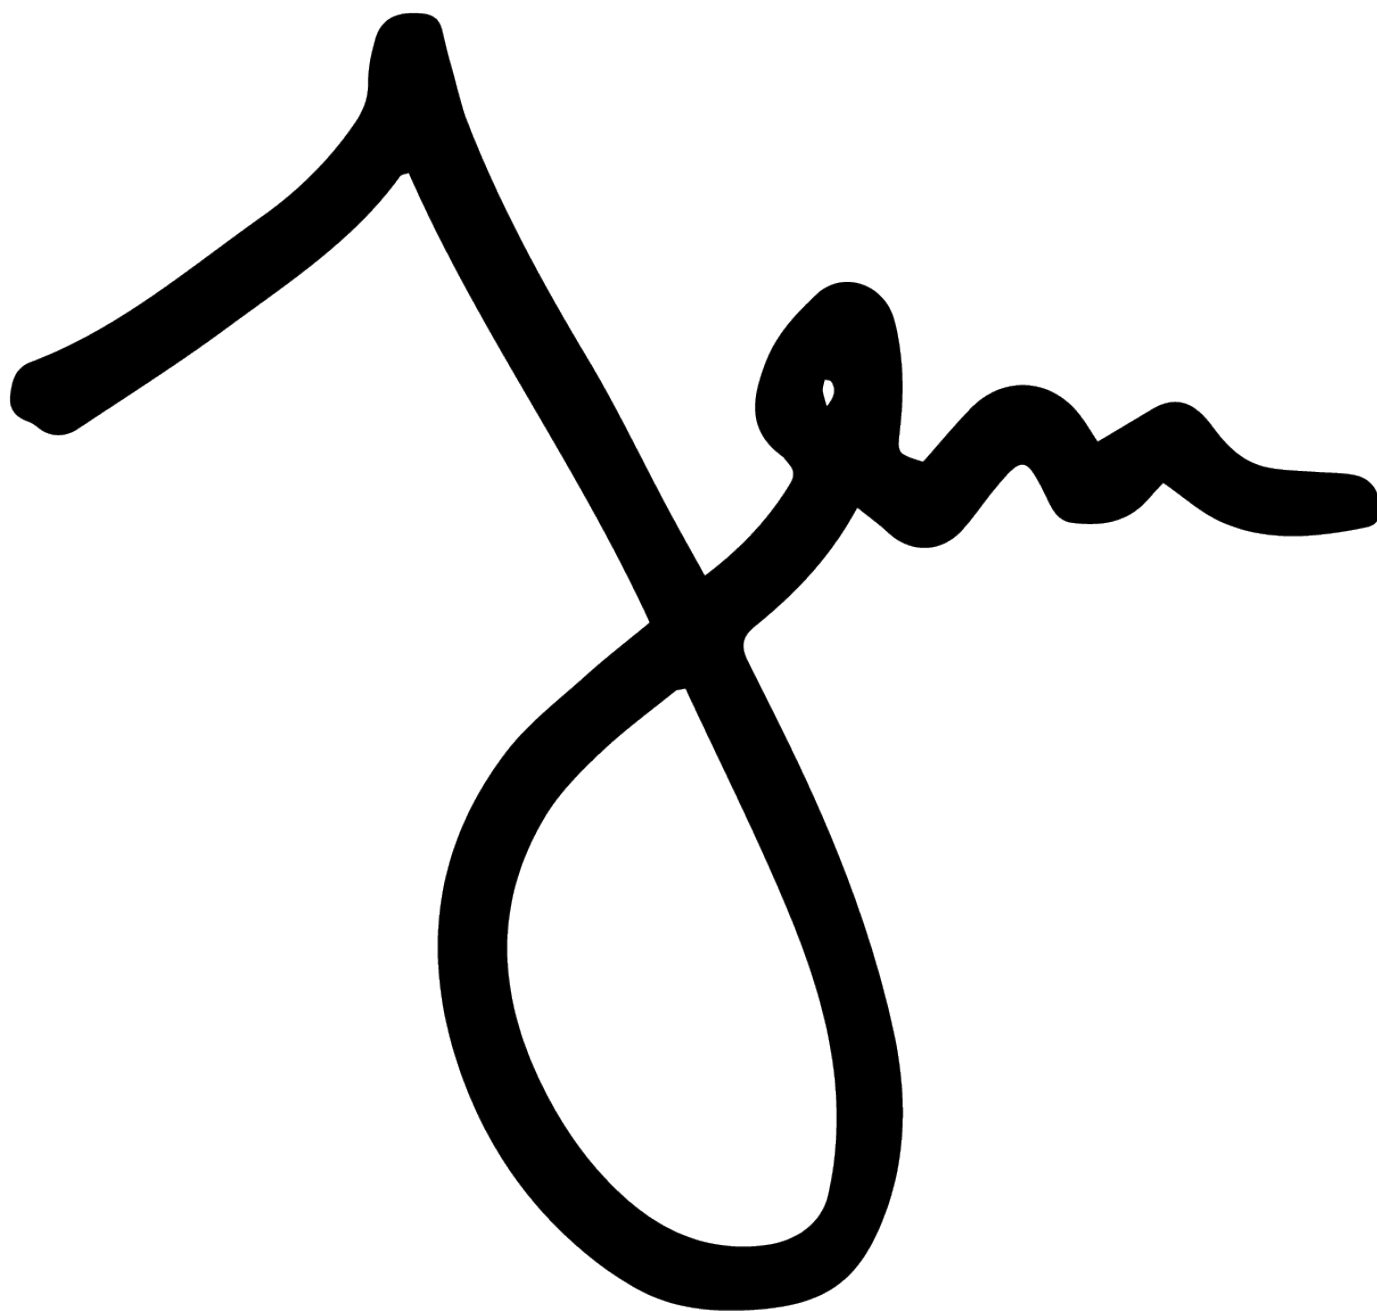

Dear neighbor,

It is absolutely vital that we are able to safely exercise our most fundamental democratic right to vote in the November election, and have the assurance that our votes will be counted. As always, feel free to contact me with questions about any of the information shared below. You can [email me](#) or call my Middletown office at (845) 344-3311 or my Liberty office at (845) 292-0215. *Another great way to stay informed is by following me on [Facebook](#), [Twitter](#),*

All my best,

A large, stylized, handwritten signature in black ink. The signature is composed of several thick, fluid strokes. It begins with a long, sweeping diagonal line that curves downwards and to the left, forming a large, open loop. This line then curves back upwards and to the right, crossing itself. The final part of the signature is a series of three connected, rounded, wavy loops that trail off to the right. The overall style is bold and expressive, characteristic of a personal or artistic signature.
