With Election Day just two months away, I wanted you to have the latest information about voting in Westchester. Eligible voters have 3 different ways to cast their ballot.

You can vote by mail by requesting an absentee ballot. And you can do that now. If this is how you plan to vote, don't wait to request the ballot. The deadline is October 27th, but the Westchester County Board of Elections has already received thousands of requests that they have to process.

To request an absentee ballot and for all the information you need to vote by mail, [click here](#). Once completed you can fax, mail, or deliver it to the Westchester

County Board of Elections.

When you get your ballot, be aware of possible post office delays, so mail it back as soon as you can. They all must be postmarked **no later than November 3**. If you cannot mail your ballot, you can give it to someone who can mail it for you or who can deliver it to the Board of Elections. Absentee ballots can also be dropped off at any Early Voting Place or at a November 3rd Polling Place.

If you want to vote in person, **you have two choices:**

Early Voting begins Saturday, October 24 through Sunday, November 1, and you can vote at any one of these 17 Early Voting Places: [Click here](#) for days and times and for more information.
